If there were any other participants that assisted with the creation/repair of the project, please provide their information in the box below.

List of ACI members associated with the project entry and ACI member numbers

Photographs/ Time Lapses

Please attach a minimum of four to a maximum of eight photographs of the project. In lieu of one of the photos, the entry may include a 90 second time-lapse video. No animations will be accepted. Concrete should be featured in some of the photos and construction of photos of concrete are also encouraged. Please provide high resolution photos and wp4 videos if they are available.
